

Getting Started in Stained Glass

Stained Glass Assortments:

Choosing from the vast array of stained glass available today can be a confusing task. To help you get started, we have chosen these glass assortments to give you a variety of colors and textures for any project.

Decorator's Delight Assortment

10 sheets (10 sq. ft.) of today's decorator colors. Assortment may contain peach, beige, white, black, mint green, champagne, light blue, and teal, in cathedral and opalescent colors to complement your home.

Reg. \$60. Value!

#DDA Super Assortment

Floral Bouquet Assortment

10 sheets (10 sq. ft.) of beautiful floral and foliage colors. Assortment may contain red, yellow, orange, pink, purple, blue or white flower colors as well as green, brown and beige earth tones. Reg. \$60. Value!

#FBA Super Assortment

Mosaic Glass Assortment

A super selection of 10 sheets (10 sq. ft.) of dense opal colors in flower and foliage colors with neutral background colors for outstanding mosaic stepping stones and projects. Reg. \$60. Value!

#MGA Super Assortment

Beginner's Pot Luck Assortment

No dogs here – just 10 lovely sheets (10 sq. ft.) of our easiest to cut cathedral and opalescent glasses. Contains a fine assortment of colors and clears for suncatchers and other beginning projects. Reg. \$55. Value!

#PLA Super Assortment

Is That Clear Assortment

Yes it is – 10 sheets (10 sq. ft.) of clear domestic and imported clear textures, such as glue chip, Waterglass, Baroque, hammered, or seedy, for backgrounds, or to add textural interest to your work. No more than two sheets of any texture. Reg. \$50. Value!

#TCA Super Assortment

There are also glasses that are tested compatible, and while promoted for fusing are also perfectly suited for traditional stained glass projects. Here we have created a number of Spectrum 96 COE glass fusing assortments for your enjoyment.

All glass is first quality and cut 12" x 12" size (except #SFP pack) - no more than two sheets of any color. Expand your palette of glass colors and save money too!

Spectrum Opal Art™ 96 COE Glass Assortment

The new *Opal Art* family of Spectrum 96 COE glass contains swirls of color that are unique. Includes 6 pieces of 12" x 12" (6 sq. ft.) in a stunning assortment. Reg. \$90. Value!
