

# Mosaic Forms & Patterns

## Getting Started in Glass Mosaics

The ancient art form of mosaic used small pieces of colored glass, stone or tile set in grout to create colorful pictures. The revival of this ancient art has taken the stained glass industry by storm. Just think – no need to grind, foil or solder when creating beautiful mosaic pieces! We have the books, patterns, and tools to get you started making garden stepping stones, mosaic table tops, and many colorful gift items. Garden stepping stones have been particularly popular, and we have every imaginable size and shape!

### 8" Mosaic Stepping Stone/Trivet Forms

Create unique stepping stone walkways by combining different sizes and shapes. These 8" round and 8" square forms can also be cast thinner for marvelous trivets!

### Mosaic Stepping Stone Forms & Patterns

Mosaic forms for decorative stones are made of extra heavy ABS plastic and come with a manufacturer's guarantee against cracking. 16" hex stepping stone patterns below are also used for creating mosaic table tops. Other beautiful patterns and instructions can be found in our wide selection of mosaic pattern books.

### 4" x 8" Mosaic Brick Form

Use as an elegant doorstop, or to replace standard size bricks in a walkway or brick wall with colorful accents! See patterns below for exciting garden brick designs.
