

Mosaic PRE-CUTS & Supplies

Weldbond Mosaic Glue

Non-toxic, water resistant white adhesive that dries clear and bonds to most any surface! Can also be diluted with water and added to mosaic grout for a stronger bond. Mix with 5 parts of water and add to concrete to increase the strength of stepping stones by 30%! 12 oz.

#245

Mosaic Pattern Shears

Now you can cut out your favorite stained glass pattern to use as a mosaic pattern! These extra-wide pattern shears will remove a wide 1/8" line out of your paper pattern, leaving a perfect size grout line between each pattern piece. This is an excellent time saver that every mosaic artist will appreciate!

#MA375

Glass Mosaic Cutters

Gentle, scissor-like pressure is all it takes to cut any type of glass! The large, sharp carbide wheels remove glass without scoring a line and are perfect for quickly trimming glass when making mosaics, lamps, windows, or other stained glass work. A handy tool for any glass crafter!

#3303

Mosaic Tile Nippers

These cutters are the 'groziers' of the mosaic world. Use them to nip off small chunks and to do final shaping of your mosaic pieces. Made from drop-forged steel with tungsten carbide jaws ensure nippers will stay sharp and last a long time.

#2450

MosaicStone Cement

For strong coasters and tiles that will not crack, use the cement that looks and feels like ceramic tile! Fine white cement dries in under an hour. Available in two pound and twenty-pound economy size. Use the cement colorant below to create most any color.

#MS129 2 lbs.

#MS130 20 lbs.

UPS NOTE: All orders for boxes of *MosaicStone Cement* will have an overweight UPS surcharge of \$5. per box.

Add Some Color to Your Cement!

Color your white MosaicStone Cement or FlashCrete Cement to coordinate or contrast with your mosaic glass colors! Use for mosaic tiles, clocks, boxes, trivets and stepping stones! Each 3 oz. container will color approximately five pounds of cement!

#MS257 Sandstone

#MS261 Deco Rose

#MSP267 Garden Green (premium)
