Tiffany Bronze Stick Base

One of the most popular and pleasing bronze Tiffany base reproductions. Accurate to the smallest detail, including the warm Tiffany green-brown patina, they are the perfect complement for your quality stained glass lampshade! Purchase the correct size support wheels and caps for your shade separately.

Small Stick Base

20" Tall for 16" to 18" dia. shades

Tacky Wax

Specially formulated, non-drying wax is excellent for sticking glass to Odyssey fiberglass molds. It will stay tacky almost indefinitely as you position each piece on the lamp form. 1/2 lb. block is enough for a 16" dia. lamp form.
