

Project Books

#7079 American Quilts
48 Classic quilt block designs shown in full color. Popular patterns include Pinwheel, Shadowbox, Tumbling Blocks, Wedding Ring, House, Drunkards Path, Bear Paws and more.

#7129 Stained Glass Boxes Simplified
New revised edition of J. Floyd's 'Box Class in a Book'. Step-by-step instruction to make building stained glass boxes fun and easy!

#7092 The Dance of Life
Although a dance disappears when it is finished, some performances are so memorable that the dancer is never forgotten. The author captures these moments in her 19 evocative glass panels. Crafters will have fun recreating the ballet, the waltz, the cha cha, a pas de deux or scenes from a dance class, as well as many other historical and contemporary dance styles from around the globe.

#7161 Water Works
Bring the soothing sound of gently running water into your home! For "Feng Shui" devotees, water fountains can energize your wealth corner! Full size patterns and detailed instructions for building ten unique stained glass fountains, both table top and wall mounted.!

#7194 Beginning Patterns
40 great designs for beginners and students. Full-size patterns of flowers, birds, contemporary & victorian panels up to 10" x 16" shown in color.

#7209 Beginning Patterns II
