Tissue Cozies 1

Change those ugly household tissue boxes into 3-D works of art! Designs for regular, family and vanity box sizes include seashore, flowers, fruits, parrot, abstract and more. These would make great gifts or hot craft show sellers!

#7811

Basically Bevels

16 full-size patterns for small bevel panels constructed entirely with stock straight line mitered bevels with an occasional accent of color! Quick & easy panels with very little glass cutting (and all of those cuts are straight).
