Creating Stained Glass Lampshades

Unavailable for years, this new reprint contains a wealth of information on creating your own stained glass lampshade from beginning to advanced. Detailed instructions for cutting glass, soldering, designing a pattern, working on a lamp form, wiring, choosing a lamp base, and more!

#7026

Square Lamps

18 nicely drawn designs for square lampshades. Each may be made in 12", 14" or 16" size by simply enlarging with a photocopier. Designs include florals, hummingbirds, dragonflies, landscapes, songbirds, Victorian, Art Nouveau, and an American flag motif.
