Bullseye Glass

Using techniques similar to those in the early 1900's, the *Bullseye Glass Company* began in 1974 to reproduce the authentic look of original Tiffany glasses. Because of a slightly irregular, hand cast size, Bullseye Glass is sold by the pound. COE of 90 for fusing.

Large box size for UPS:Approx. Two 17" x 10" pieces (4 lbs.)

Small box size for UPS: Approx. 8½" x 10" (1 lb.)
